

A long train of black coal cars is shown winding through a lush, green forest. The train is viewed from an elevated perspective, curving into the distance. The text "[ Energy ]" is overlaid in white, with two pairs of white dots below the brackets. The overall scene is a mix of natural greenery and industrial infrastructure.

[ Energy ]  
● ● ● ●

We're proud we deliver the coal industry's products to help light American homes and power American enterprise.
