Move your food products on the Fast Track

Food can't wait, and we know it. CSX Transportation is pleased to announce the launch of a new service designed for food shippers. The direct service from California and Eastern Idaho to the Northeast provides the reliable and consistent service you expect, within the time frame your business requires.

- Direct service bypasses processing yards, saving time and potential damage
- Choose from multiple expedited service options for food shipments
- CSX continues to grow the Food Network knowing our customers depend on us to deliver resources, expertise and capacity
- CSX has the most experience with handling food products in the Eastern US
- Premium value-added services via ShipCSX for shipment details in real time
