

Short Line Profile Information

In an effort to provide more detailed, fact based information to customers and our internal personnel, we have updated the CSX short line web page so that we are now able to provide more useful information. In order to display the information for your short line(s), we need you to visit the CSX Short Line webpage (<http://www.csx.com/?fuseaction=customers.sl>) and ensure that the information displayed is correct for each of your respective short line(s). Once complete, please fill out this page with any changes that need to be made as well as any new information that you have for the short line(s). **Please fax or email this completed form back to Matt Adams at (904) 306-5069 or Matthew.Adams@csx.com.**
