Dear Sir:

**Re: CSX Transportation Inc.
Three Year Railway Operating Plan (Canada)**

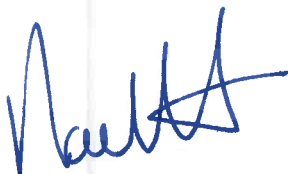

We act as counsel for CSX Transportation inc. and we are writing pursuant to the letter we sent you last year on June 9, 2017 regarding the CSX Three Year Plan as maintained under the provisions of section 141(1) of the Canada Transportation Act.

Therefore please find enclosed a copy of updated Three Year Railway Operating Plan (Canada) for CSX Transportation Inc.

Should you require further information, please do not hesitate to contact the undersigned.

Yours sincerely,

McCarthy Tétrault S.E.N.C.R.L., s.r.l.

Three Year Railway Operating Plan (Canada)

REVISED JUNE 1ST, 2018

LOCATION	LINE	MILEAGE POINTS	STATUS
Ontario	Sarnia Subdivision	44.6 – 71.5	Retain
Québec	Montreal Subdivision, From the US Border at Fort Covington (New York) to Beauharnois and the Adirondack Junction (Québec)	183.1 – 238.4	Retain *
Québec	Valleyfield Industrial Track	0.00 – 1.93	Retain

* Note that trackage between QM 226.1 and Adirondack Junction (QM 238.4) was illegally removed by a third party from the Right of Way without authorization. The company intends to recommission this section of the main line.
